

Bid Summary

Digital Display Project for Lobby

Summary: The board has elected to install a 40" television like display added to the south lobby wall. The display will feature community news, information, local weather, and more. The software service is provided by CondoSites, providers of our website, at no extra monthly charge. We do have to pay for hardware and installation.

Disclaimer: *This is a summary of bids for materials, equipment, or services which exceed \$500 for the project. This summary will be maintained on the website for 1 year. Full copies of the bids are available in the management office.*

Materials/Equipment:

- Mvix Mykro Player
\$328 (including tax and shipping)
- Commercial Display
\$600 (including tax and shipping)

These products are required by our provider, CondoSites.

Services:

- **AV Guys – \$980**
Installation of display, running electricity and ethernet to the display location, and setup.
- **Sparky's Electric – \$1,200 (selected by the board for the project)**
Installation of display, running electricity and ethernet to the display location, and setup. Also includes surge protector on the breaker. The association has used this company in the past.
- **Best Buy Geek Squad**
Declined to bid.
- **Coastal Home Theater**
Bid did not arrive in time of board meeting.
